CHAPEL IN THE HILLS
Rapid City, South Dakota

This is a full size replica of the famous 800 year old Borgund Stavkirke (Stave Church) in Norway. It is nestled in the hills five miles west of Rapid City, S. Dakota. Original Norwegian carvings adorn the inside and the outside of the church.

Dear Sadie - We have been touring the Southwest and then visiting our cousins in South Dakota. We just saw this beautiful little chapel and thought it would make a good addition to your postcard collection!

Best regards
